Behavior Code Information

Our school has high expectations of all students. In order for students to reach their potential, classrooms and schools must be free of disruptive behavior.

Maintaining good discipline within the schools is also a community responsibility. Parents must be familiar with and supportive of school standards and work closely with staff.

Whenever possible, a teacher will ask parents for help in correcting a problem. If the situation continues or is serious, the teacher will seek assistance from the school leader or his/her designee or a local community agency for professional intervention services.

CCA does not discriminate on the basis of race, gender, economic or documentation status, handicap, sexual orientation or national origin in regard to disciplinary actions against students.

Rules and regulations apply to students on school grounds and premises before, during and after school hours; during school events or functions off of school grounds; when traveling to and from school or to a school activity, function or event; at bus stops or at any time or place which may affect an educational function or be identified with CCA.

Examples of most rules are provided. Each rule is accompanied by the range of consequences to be incurred upon the violation of that rule. The school administrator will determine the level of the consequence based on such factors as the age of student and the severity of the offense.

CCA does not permit employees to use corporal punishment (the physical striking of a student as a disciplinary measure) in disciplining a student. It is recognized that reasonable use of physical force and restraint may be necessary to stop a disturbance that threatens physical injury to others to obtain possession of dangerous objects from students; for the purpose of self-defense; or for the protection of persons or property.

The teacher and/or administrator may use various means in an attempt to change student behavior including, but not limited to: Counseling students; assigning detentions; having conferences with parents; assigning extra responsibilities or time in school (placing the student in a "time-out" room or an in-school suspension room). Additional options may include assigning a community service project, referral to an intervention team; or removing the child from class for a day, pending review of the situation. The school leader/designee and teachers may cooperatively remove a student from a classroom for more than one (1) day if this consequence would be beneficial in solving the problem. A school administrator may use any of these and up to ten (10) days of suspension, and in some cases, a school leader may recommend a student be placed in an alternative program or expelled.

School leaders may also establish rules and regulations, as long as they are consistent with the Behavior Code, the policies set by the CCA School Board, or other rules and regulations established by The Leona Group, LLC.

Discipline Procedures for Special Education Students

General education, special education and ELL (English Language Learners) students are subject to disciplinary procedures, which promote positive behavioral change and/or ensure the well-being of others. The goal is to have all students function successfully in their educational and social environments and to protect fellow students, school staff members, and public property.

Disciplinary procedures affecting students identified as needing special education services will be administered in compliance with federal and state laws. A casual conference will be scheduled if disciplinary charges recommending expulsion are filed. A copy of the suspension/expulsion procedures for special education students is available in the CCA Special Needs office.

For more information regarding ELL please contact Patty Salinas at 313.843.9440.

Lice Policy

Lice and their eggs (nits) can become a major challenge anywhere where large numbers of people gather in social settings such as schools, churches, and businesses. At César Chávez Academy (CCA), the goal of our school community is an environment that is clean, safe, and healthy. Unfortunately, lice can become an impediment to a clean school if they are permitted to thrive.

CCA will enforce the following guidelines:

- All children (and staff) will be checked to determine if lice or their eggs (nits) exist.
- Thorough lice checks will be completed in September, December, and April of every school year, and that periodic checks will occur on an as-needed basis.
- Children (staff) will be prohibited from classes at CCA until all lice and eggs (nits) are removed completely.
- No child (staff) will be re-admitted until he/she has been checked by a designated CCA staff person. Any days absent after the initial day will **NOT** be excused.
- CCA is prohibited from dispensing lice-egg remover to any parent, guardian or child. Referrals may be made to a city clinic (i.e CHASS Clinic at 313.849.3920).
- Children affected by head lice are required to make-up school homework related to school hours lost.

- Parents, as their child's first teacher, are responsible for communicating with the teacher of their child about when and how delinquent school work will be made-up.

The children and staff at CCA deserve the very best educational environment possible. CCA's Lice Policy is designed to make the school community an effective conduit for high student achievement and parent collaboration.

Technology

César Chavez Academy has a strict computer lab policy. Failure to comply with the following policy will bring immediate dismissal from the CCA class and/or future use privileges of school computers.

Take care of the personal computer (PC) that has been assigned to you. The course will not be enjoyable for you if your computer is not working.

- DO NOT write on the PC or screen with any marking instrument (pencil, pen, markers, sharp objects, etc).
- DO NOT pull anything off of PC (hardware, stickers, etc).

- Report to the instructor immediately if the PC malfunctions. NEVER swap computers without asking the instructor's permission.
- Print only pertinent materials or lab assignments for this class. Do not waste paper.
- Follow the CCA Internet Use Policy after a signed agreement is completed.
- Parents can be held responsible for any damages to a PC incurred by the student.

Electronic Devices Policy K-12

Effective August 2004, César Chávez Academy put into effect a policy which prohibits the **Possession and Use of Cellular Phones and Other Electronic Devices** on school campus for grades K-12.

We have experienced many situations that have created problems related to cell phone usage. These include the following examples to name a few:

- Student use of cell phones in class and school activities for non-emergency purposes.
- Cell phones being activated during class time so that they disturb the educational process.
- Students using cell phones to contact other students or friend both on and off campus concerning fights and other campus disruptions.
- Students using "cellular walkie talkie" features on phones that disturb the school environment.
- Students abuse/misuse of cell phones photographic and video features including illicit or graphic sexual material. (See rule 6)

Students will only be allowed to use their cell phones before and after school. All cell phones must be turned into the Main Office at the start of each school day for students in grades K-8. Cell Phones will be returned to the student at the end of each school day. Cell phones that are turned on during the instructional day may be confiscated. A need for **emergency** phone contact will require that the student uses school phones.

Cell phones that are used during school time will be confiscated by school personnel. **Only parents will be allowed to retrieve the cell phones once they are confiscated.**

No refunds shall be given to students who lose their permits due to parking and driving conduct.

School administrators, teachers and the CCA campus officer shall monitor and report adherence to student parking requirements and/or violations.

Search and Seizure

To maintain order and discipline in the schools and protect the safety and welfare of students and school personnel, authorized school personnel may conduct a search of a student's locker, book bag, his/her possessions/belongings or automobile if there is reasonable suspicion for a search. A certified dog and the handler may be used to initiate a search. Reasonable suspicion for a search means there are circumstances which would cause a reasonable person to believe the search of particular person, place, or thing will lead to the discovery of:

A student's failure to comply with searches and seizures as outlined in this policy will be considered grounds for disciplinary action.

1. Evidence of a violation of this code or Michigan Law; or

2. Anything which represents a danger of physical harm or illness to students, teachers, assistants or others at school, a school-sponsored or school-supervised event or otherwise.

Automobile Searches

Students are permitted to park on school premises as a matter of privilege, not of right. The school retains authority to conduct routine patrols of student parking lots, canine searches, and other inspections of the exteriors of student automobiles on school property. Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant. Interiors of registered vehicles will be searched in the presence of the student or whenever possible and only if a school authority has reasonable suspicion.

Anything found in the course of a search, which is evidence of a violation of the CCA Behavior Code, may be:

1. seized and admitted as evidence in any disciplinary suspension/expulsion proceeding;
2. destroyed if it has no significant value;
3. turned over to the parent of the student from whom it was seized; or
4. turned over to law enforcement officer.

Attendance

Good attendance is essential if students are to reach their potential. Each day is an important opportunity to learn. Additionally, children age 6 through 16 are required by state law to attend school with few exceptions. Parents are required to ensure their son/daughter maintains good attendance. Parents will also provide current emergency phone numbers.

It is the parent's responsibility to call the school by 9:00 AM the day the student is absent. If a parent does not call, the school will call the parent that day to verify the absence.

After three (3) consecutive absences or a total of ten (10) absences is during the school year, a student must have a note from a medical doctor or any further absences will be counted as unexcused. However, a period of extended illness (such as for the chicken pox) may be considered a single absence for this requirement.

A parent who has a child with a chronic illness will be given a form to be completed by a medical doctor; the form must be filed at the school. After review by school personnel, this form may exempt the parent/student from securing a doctor's statement each time the student has an absence related to this illness for the school year.

Consequences for unexcused absences are as follows:

Elementary

After four (4) unexcused absences. Parents are contacted by school administration or a social worker. After six (6) unexcused absences, the Wayne County Mediation office will be contacted for educational neglect. Any combination of unexcused absences and tardies totaling ten (10) may be considered as a reason for retention and must go in front of the CCA Board of Directors for consideration to continue attending CCA.

Middle/ High School

Ten (10) unexcused absences may result in loss of credit in a class. Loss of credit may result in retention. Students may be considered tardy to class if they arrive after the bell rings or after the designated starting time if there is no tardy bell. In the high school, credit may be lost after eight (8) unexcused absences.

Tardy

It is an essential part of the educational experience for students to be on time to class. Students who are chronically tardy cause a disruption to the educational experience. Therefore the following policy will be in effect for all students.

3 times tardy will equal to 1 absence.

10 times tardy will result in contacting a parent or guardian.

20 times tardy will result in a letter being sent to the parent or guardian from the superintendent and the Wayne County Mediation office to file charges for educational neglect.

30 times tardy will result in charges be filed and the parent/guardian must go before the CCA Board of Directors and may result in a more serious action, up to dismissal from CCA.

Michigan school laws are very strict in regard to the compulsory attendance of children 6-15 years of age, and hold parents/guardians responsible for their child/children's regular attendance in a manner which is "continuous and consecutive for the school year" (MCL 380.156 (1)). If attempts by the administration to improve a student's attendance fail, it may be necessary to petition the juvenile court or other public agencies for assistance. The prosecuting attorney has the option of filing criminal charges against parents/guardians, filing delinquency charges against the student in family court filing educational neglect charges against parents/guardians in family court, or any combination of these alternatives.

The Wayne County Mediation office will be notified after ten (10) unexcused absences. A student who is not at school and/or in class without parent knowledge will be considered truant and parent will be notified.

The student is entitled to a hearing prior to being reported as a habitual truant. A student who is identified as a habitual truant is entitled to a review once every school year.

Students with an excused absence are responsible to pick up assignments and if possible to make up any other work upon their return. Students who are absent, without excuse, will be permitted to make up work at the discretion of the teacher. The time frame for completing make-up work upon return to school varies according to the age of the student.

Notification to parents

1. Parents/guardians must notify the school of any absences within 24 hours of the student's absence. Parents/guardians must notify the school of the nature of the absence, i.e., illness, family emergency, etc. Every effort should be made to schedule routine appointments after school hours. Family vacations should be planned during holidays as outlined in the school calendar. Parents/guardians should discuss the importance of good attendance with their student to avoid loss of credit due to violations of the Attendance Policy. Parents have three (3) days to bring in a doctor's note to the office.
2. A parent conference will be held within five (5) school days after a total of ten (10) days absent.
3. Parents will be notified if additional consequences for absenteeism are being considered.
4. A home visit by the school truancy officer or social worker may be made if parents do not come to the parent conference.
5. A loss of credit and enrollment will result due to too many student absences.
6. Retention of student may be considered if absences and tardy days total sixteen (16) or more.

Morning Tardiness

When a student is late to school in the morning, that student must report to the office to receive a late pass. Parents will be notified about unexcused tardiness on the fourth (4th) tardy. Parents must understand that students will not get credit for activities that take place before a student arrives and that tardiness may affect their grades. It is possible for multiple days tardy to school may affect a child's grade to the point where he/she may fail. In addition, if a student is tardy equal to 3 times it will equal one unexcused absence.

Early Drop-offs/Late Pick-ups

The Wayne County Prosecutor's office may be notified by administration for abandonment charges when children are left at school fifteen (15) or more minutes prior to the start time or picked up fifteen (15) or more minutes after dismissal. The school doors will be kept locked until fifteen (15) minutes prior to the start time. The school is not responsible for children until they are admitted into the building. The school administrator or designee may leave abandoned children in the custody of the Detroit Police Department. Child Protective Services may also be notified.

Elementary school students not picked up by 3:30 PM will be sent to Surround Care and the parent will be responsible for those charges.

Disciplinary Consequences

Minimum and maximum levels of disciplinary consequences are listed. It is intended that discipline be progressive in nature and move to a more serious consequence with each violation. In the case of more serious offenses, the consequences may not be progressive in nature but reflect the seriousness of the situation.

Students who break rules are subject to disciplinary consequences by teachers, administrators or other school personnel.

Positive Behavior Support

CCA has put into action an effective positive behavior support (PBS) system. It is a proactive, positive, skill-building approach to teaching and learning of successful student behavior. Positive behavior support systems ensure effective strategies that promote pro-social behavior and respectful learning environments. The PBS program is designed to accommodate the needs of each individual school building and grade level.

Consequences for Elementary Students

It is recognized that violations of certain rules and the resulting consequences for students in elementary school may be different than the consequences for older students. When no distinction has been made in this document, the School Leaders may choose to utilize the lower range of consequences for elementary age students, whenever appropriate, if the consequence resolves the offense.

Suspensions

If an out-of-school suspension is being considered, the student will have an opportunity to hear the charges against him/her and to present his/her side of the story. Parents will be offered the opportunity to meet to discuss the suspension. The reason(s) for the suspension will be provided to the parents and student. If the intent of the school leader is to file written charges for an expulsion, parents will be notified in writing within two (2) school days.

Alternative Consequences

If in the judgment of the school leader/designee, based on the age of the student and/or nature of the offense, an alternative consequence is satisfactory to resolve the offense, the school leader/designee has the authority to develop an appropriate alternate disciplinary consequence under a written contract with the parent, student and the teacher as appropriate. This written contract will be retained in the administrative office.

Law Violations

If the student violates the law, the police department may be involved depending on the severity of the offense. Parents will also be contacted.

First Level Administration Interventions

Coordinated by assistant school leader or designee (social worker, master teacher, in-school suspension coordinator, etc.)

Second Level Administration Interventions

Administered by the school leader and/or assistant school leader. Student must be removed from class until picked-up by parent or released at the end of the day. Suspended students may not participate in after-school activities or special events.

Board and Administration Interventions

Expulsion hearing; student may be expelled upon recommendation of the Board of Directors; notification of Wayne County Probate Court and the Michigan Department of Education upon expulsion.

1. Discuss the situation with the student's teacher. If either party is not satisfied, a conference with the teacher, student and school leader may be requested.
